11 OAKDENE ROAD

A circa 1920's, semi-detached property which has recently been the subject of a comprehensive and thoughtful renovation / refurbishment throughout. With nothing left to chance, this welcoming home has been beautifully executed and offers the perfect blend of modern living spaces alongside character touches. On the ground floor, an enclosed porch leads into a generous entrance hall with traditional front reception room and separate, newly fitted kitchen which flows through to a family room with bifold doors onto the garden. A utility room and cloakroom / WC complete the ground floor. Upstairs there is a choice of three good double bedrooms, a family bathroom and en suite shower room to the principal suite. Double glazed throughout and gas centrally heated, utility bills should hopefully be kept to a minimum. Externally, there is a small enclosed front garden with side access leading through to a thoughtfully landscaped rear garden of 73 feet in depth with a South Easterly orientation. At the end of the garden there is pedestrian access to a garage for storage and / or parking.
