24 STATION ROAD

An attractive Victorian cottage, occupying a perennially popular side road location just a few minutes on foot from the station and village centre. For character cottages, Station Road has always been one of the most sought-after locations within the village for period cottage homes and this property offers a ground floor layout of entrance hall, inter-connecting sitting and dining rooms, separate fitted kitchen and snug to rear. Upstairs there are two double bedrooms and a stylishly appointed full bathroom. Externally, this is one of the very few properties in this road with its own parking space to rear which also accesses the low-maintenance enclosed rear garden.
